

Mission update 2019:

Chincha, Peru: In January we returned to Peru for 2 weeks and over 6000 people were served in our dental, medical and optical clinics combined. Corbett led a construction team who helped pour a roof on a church that will enable them to add classrooms to the existing building. This will hopefully be a school for this area in the future.

Cap Haitien, Haiti: Corbett, Logan, David, and Steve returned from Haiti in November after they completed a classroom at the Emmaus Seminary. We are excited for all God is doing to reach His children in Haiti. Among all the unrest in that country the attendance at the seminary continues to grow.

Port Arthur, Tx: Work continues to be completed on Jackie's house. There are still teams that go typically for a long weekend to tackle another part of the remaining work to be done on Jackie's house as well as other Texas neighbors.

What is Next? We will return to Peru in June. Kelly & Payton will be there May 29th- June 26th and Corbett & Logan along with our employee, Gerardo and his wife, will serve over June 12-26th. We will lead dental, optical and medical clinics, go into the schools and teach English. Corbett will lead a construction team. We will do all these things while sharing God's love and light!

Columbia is a possibility that we are praying about. This will be an evangelism trip to go and share the gospel door to door with the unreached.

Corbett and Kelly have the opportunity to attend a week-long conference in Redding, California to receive training to better equip other believers to then go and share Christ with others.

If you or someone you know would like to go and serve please contact Corbett or Kelly as we would love to have you. Your Prayers and monetary donations are always welcomed and we are so grateful for your continued support. Make checks payable to FUMC Waco 4901 Cobbs Dr. Waco Tx 76710 in memo: Faulkenbery Missions. We also accept unwanted items and furniture for our quarterly garage sale. All proceeds go to our missions.

- Solar screens
- Patio covers
- Replacement windows

CORBETT'S HELPFUL HINT

Regular car maintenance like oil changes, tire pressure checks and tire rotations, tune-ups are a given when owning a car. Have you ever thought about house maintenance? Let me recommend a home inspection. This could save you potentially thousands of dollars in costly repairs. Home Inspections give you a good idea of what repairs you need to make to keep your home running efficiently and keeping your home safe and sound. Our friend David Halvorsen, at Scout Home Inspections TREC #23006, is happy to help you. Here are a few tips in the right direction to helping prevent some costly repairs: 1- Keep your bushes trimmed below window level around your home, high bushes provide a place for intruders to hide, and invite unwelcome pests a place to acquire entry to your home. 2- Have your sprinkler system checked and keep your lawn watered. This helps prevent cracks in the ground around your foundation which in turn can lead to shifting of your home. Schedule your home inspection today at Scout Home Inspections TREC 23006, 254-424-2180.

SPRING FEATURE IS SCREEN ROOMS

If you have ever considered adding extra living space to your home this is for you. A screen room adds square footage you can create an amazing space to entertain or enjoy the outdoors all the while being inside your home. No more bugs, mosquitoes, or pesky flies. The screen room mesh comes in several sizes to control the heat and air flow allowing you to enjoy the best of the outdoors. Most screen rooms can be constructed within a few days. We use an aluminum material that comes in many colors, will not rust, has surpassed strength and low maintenance.

Call 254-759-1147 to schedule your consultation to design your outdoor oasis today.

HEAR WHAT SOME OF OUR CUSTOMERS ARE SAYING:

Great experience, great project completion!
Very happy with everything!

- Caren Ferrera, Waco, TX

The whole team of workers were friendly and courteous. You will remain at the top of our list for future work.

- David and Kathy McElreath, Woodway, TX

WE LOVE WHEN YOU TALK ABOUT US!

Our customers are our greatest advertisement!

When you share about us with friends and they call us and become a customer you could earn \$100.00

Congratulations, Mike Stone at Grassroots Waco, we appreciate your referral!

MARK IT ON YOUR CALENDARS

Faulkenbery Construction invites you to celebrate our country's independence. We will be serving our traditional breakfast/brunch on the 4th of July. This celebration provides us a way to serve our community and friends. Hope to see you there!
